The image shows a screenshot of the Polycom University login page. At the top right is the Polycom logo, which consists of a stylized orange 'P' followed by the word 'poly' in white lowercase letters. Below the logo, there is a blue link that says 'Click here to view the course catalog without signing into an account.' Underneath this is a warning message in blue text: 'Do not sign in to the university from this page if you are a Partner. Instead, sign in to PartnerConnect, then point to the Training menu and click the Polycom University link.' The login form includes a 'USERNAME' label above a white input field, a 'PASSWORD' label above another white input field, a checkbox labeled 'Keep me signed in' with a small square icon, and a red link 'Forgot Password?' to the right. At the bottom of the form are two buttons: a blue 'SIGN IN' button and a grey 'SIGN UP' button.

Current Schedule

This schedule includes Polycom public instructor led training courses. Participants can attend over video when available, and in person at a Polycom Learning Center; this information is included in the “scheduled class location” column. Some training, including DDOMVEOT201, cannot be delivered over video. We suggest that unless the learner is very skilled that their first class be in person, where the instructor will also be more readily available.

Orders are made through your Polycom Partner. Please allow enough time to schedule your Purchase order. Course schedules are subject to change without notice and courses can be cancelled if there are not enough attendees. For the most current schedule use the calendar link in the “Accessing Polycom University” section above. Courses that are currently not scheduled can also be accommodated depending on demand (number of participants) and trainer availability. To find out more about a class please email polyuniversity@poly.com.
